

Fleet Card Services

Better Insights, Reduced Costs

CONSOLIDATE ALL FUEL TRANSACTIONS

Mansfield Fleet Cards are an effective fuel management solution for fleets of any size. Optimizing driver efficiency and lowering costs, Mansfield Fleet Cards can be used everywhere your drivers fuel - retail stations, cardlocks, truck stops, backyard tanks and mobile fueling locations. Our Fleet Cards are accepted at 90% of retail fueling locations nationwide, so drivers can fill up virtually anywhere and choose the lowest priced station.

SINGLE, INTEGRATED FUEL MANAGEMENT PLATFORM

Mansfield Fleet Card services consolidate all vehicle fueling transactions into one secure platform for centralized control, oversight and payment. Mansfield partners with all leading fleet card networks and provides a single view of standardized purchase data from retail, over the road and consigned fuels - all via a convenient online portal.

Easily manage every aspect of your fueling program:

- Set fueling controls
- Monitor consumption
- Track, reward driver compliance
- Manage driver and vehicle maintenance
- Highlight issues - speed resolution

If your organization approaches retail buying, bulk fuel, cardlocks and mobile refueling separately, the Mansfield experts will help you centralize all fuel purchases onto one platform to gain cost savings and operational efficiencies.

Convenience, Control and Savings

Drivers appreciate the convenience and nationwide access of the Mansfield Fleet Card, while you gain visibility into every transaction.

Fleet Card fueling transaction data gives you total insight into detailed driver and vehicle-level trends to help you determine how you want your drivers to fuel. Plus, all fueling transaction data can be integrated into your fuel management system for a holistic view across your complete fueling program. The result – more control, more convenience and lower overall fuel spend.
