Sustainability Summit

HOUSTON EDITION

Join us on June 4th & 5th, 2024

John Byrd
President, Mansfield Energy

As a seasoned leader, John Byrd oversees all business units, driving success in sales, marketing, operations, and more. During his 16-year tenure at Mansfield, he has also served as COO and CFO, providing a strong knowledge of Mansfield's entire operating portfolio.

Zach Wall
SVP, Sales & Marketing, Mansfield Energy

Zach Wall is a strategist with expertise spanning sales, marketing, and product management. Leading Mansfield's fuel management programs for commercial, industrial, and government clients, he excels in retention, optimization, and strategic growth.

Andy Milton
SVP, Supply & Distribution, Mansfield Energy

Andy Milton oversees Mansfield's purchase and distribution of over 3 billion gallons of fuel, renewable fuel, and other products. With expertise from truck dispatch to hedging, Andy drives excellence in the fuel supply chain.

Jessica Masters
Director of Sustainability, Mansfield Energy

Jessica Masters spearheads sustainability strategies, keeping in tune with the latest policies and regulations. With a track record of pioneering renewable fuel markets, she leads transformative initiatives empowering clients towards eco-conscious goals.

Sara Bonario
Director of Supply, Mansfield Energy

Sara Bonario specializes in the procurement and logistics of renewable products. With expertise in transportation fuels and energy services, she partners with clients for seamless operations.
