IN THE NEWS

Mansfield Market Assessment

Natural Gas is hanging on to the small weekend rally by a thread. Production is much lower on the heels of planned maintenance, so expect it to ramp back up soon. The weather is uncharacteristically cold in some parts of the country for this time of the year. We really need some heat in the Southeast and Texas soon or we will go under \$2.50 as we approach settlement. We expect a lot of chop for the next few days, and also expect a triple digit injection Thursday....

O&G Rise after US Seizure of Iranian Ships Imperils Talks

Oil and natural gas prices rose after the US Navy seized an Iranian ship during a chaotic weekend that saw Tehran firing at vessels and reimposing controls in the Strait of Hormuz. Brent crude traded near \$95 a barrel, recouping roughly half of its slump on Friday, when a reopening of the key waterway was announced, while European gas was up about 3%. Tehran closed the chokepoint again on Saturday, after it said a US blockade of Iran-linked ships violated a ceasefire agreement that ends Tuesday.... Eni Declares 'Giant' Gas Discovery

Eni SpA announced Monday a "giant" natural gas discovery in the Ganai block in the Kutei basin offshore Indonesia. "Preliminary estimates indicate in-place resources of approximately 5 trillion cubic feet (Tcf) of gas and 300 million barrels of condensate in the encountered interval", the Italian state-controlled energy major said in an online statement....
